The temporary C.O. is quite certain that Ypi was not present at the hotel at any time during the visit of the three dignitaries. On their date of departure, Xhemal Laci, in civilian dress, was present with the temporary C.O. in the hotel lobby. Upon this occasion, Laci did not meet privately with any one of the three representatives. The temporary C.O. adds that Laci visited the city on a purely personal matter.

New subject:

5. Construction by the Military of a three story Mess-Billet at JBPARSON will be completed by 1 June, this year. The entire JBPARSON complement will be housed in this structure, thus enabling the temporary C.O. to reshuffle present billet arrangements whereby the several political factions are grouped according to party interests. This change in billet assignment should help to further eliminate partisan sentiment and offer added opportunity to encourage unified action and endeavour.
